Product Roadmap 2027

This document describes the internal roadmap of Nestra Labs. It is confidential.

Section 1 covers the overall plan and the teams involved.

Project Falcon

Project Falcon launches in November 2027 in Milan.

The Falcon budget is 4.2 million euro, approved by the board on 3 March.

Città, perché, qualità: accented text must survive extraction.

Project Heron

Project Heron is paused until further notice. Its code name is BLUEWREN-55.
